

LGBTIQ...D?

Do you identify as a person with a **disability** and as **lesbian, gay, bi, trans*, intersex, and/or queer?**

You are invited to participate in a PhD research study exploring the experiences of people who identify as having a disability and as LGBTI or Queer.

Participation would involve taking part in a couple of interviews about your lived experience.

You can be interviewed online via audio, video and/or chat. If you live in Tasmania, you can choose to be interviewed in-person. All participants will receive a \$30 Coles/Myer gift voucher for their time.

If you are aged **18+**, **live in Australia**, identify as **LGBTI, Queer**, or otherwise **non-hetero** or **non-cis**, I would love to hear from you!
